HERE'S THE DILEMMA.....

THE QUESTION YOU ASK YOURSELF IS..

“Should I rent my home myself, or should I use a professional management agency?”

WHEN THE QUESTIONS YOU SHOULD BE ASKING ARE...

“Do I know how to find and screen good tenants?”

“Do I know all of the laws and rules involved?”

“Will I be available when problems arise?”

“Do I WANT to be available when problems arise?”

“Am I prepared to file and pay sales and tourist taxes for 12 months of the year?”

IF THE ANSWER TO THESE QUESTIONS IS NO, THEN YOU NEED A PROFESSIONAL PROPERTY MANAGER!

Now that you know you need a professional, here's why you need Realty Executives in The Villages...

AND DON'T FORGET ABOUT OUR EMPTY NEST SERVICES

Whether you are going to rent your home for the rental seasons, or you are a part time resident yourself, there are going to be times when your home will be vacant for extended periods. Why worry about it?

Our Empty Nest service is second to none. We regularly visit your home and spend extended periods of time inspecting and examining and just making sure that everything is ok.

Your water is not leaking all over the place, the irrigation system operates properly, all your appliances remain in good working order, papers are not piling up, all of your landscaping and other service contractors are doing their jobs, and your home does not have that “I’m empty, come on in and rummage around” look.

It's all about peace of mind. We treat your home as if it was our own!!
